

FLOAT PLAN

If trouble occurs while you're on the water, help will come faster if the Coast Guard and other rescue agencies know where to look for you. For your safety and your family's peace of mind, complete this form, and leave it at the harbor office or in a ramp fee box. If this is not possible, leave it with a responsible person whom you can trust to notify authorities if you are overdue.

Remember to **check the weather** before you depart and, if possible, during your trip. The weather is posted in the harbor office or call 1-800-472-0391 (extension 3145 for Passage Canal / extension 3144 for Prince William Sound).

When you return from your trip, drop the close out tag in the same box. Random drawings of close out tags are held occasionally. If drawn, prize will be awarded to the name given on the close out tag.
